CONSTRUCTION NOTICE

Water Main Replacement

Church & Nott Streets – Wethersfield

Beginning the week of **August 3rd**, the **Metropolitan District (MDC)** and their contractor **Baltazar Contractors Inc.**, will start working replace the water mains on Church and Nott Streets.

Construction is scheduled to begin on Nott Street from State Street to the Silas Deane Hwy (SDH). This water main installation is expected to last approximately 1-2 months. The Contractor will then move to Church Street and replace the water main from Garden Street to SDH.

Following the water main installations on each segment the watermain will be pipe jacked under the railroad. During the pipe jacking the roadway will be closed during the work day. Only one roadway will be closed at a time for the pipe jacking. Each pipe jacking is expected to take 4 weeks to complete.

The jobs will be completed with a full mill and overlay of the existing roadways and will include restoration of disturbed lawns, sidewalks, curbs and driveway aprons. The project is estimated to be completed in the spring of 2021.

You will be notified of scheduled water interruptions in advance.

**Work hours are generally Monday through Friday,
7:00 AM to 3:30 PM.**

Schedules are subject to change based on weather conditions and unforeseen construction activities.
MDC Staff, Contractors and Consultants must be properly identified and show ID upon request.

If you have questions or concerns, please contact:

John Whitcomb, MDC Construction Manager at (860) 948-8320
jwhitcomb@themdc.com

After hours, please call the **MDC Command Center** at (860) 278-7850 ext. 3600
